

Roulette

Game

There are 37 pockets on the Roulette wheel, and they are numbered from 0 to 36. Each pocket except 0 has a color: red or black. The purpose of the game is to guess the numbered pocket on the wheel where the ball will fall.

Game flow

After bets are made the wheel and the ball spin. The winning number is determined by the pocket where the ball falls. Bets pay if they were made on a winning number or on the set of numbers which includes the winning number.
